Rod:

We have supported the ASCP pain management traineeship for several years. I believe this is funded through generics, or maybe even Covidien corporate.

I am sending you this so that you are aware, and if you think that there is something to leverage for PENNSAID or EXALGO.

Jason

Dear Mr. Jones,

I'm sorry I missed you at the ASCP Annual Meeting. Several people told me they spoke with you about Covidien's support for the ASCP Foundation Pain Management Traineeship. I'm sure you received letters from the pharmacists who benefitted from the program this year.

Last year we followed Covidien's procedure for submitting the request. I have attached last year's proposal for your information. I have requested a Covidien Clinical Education Grant Form and Instructions from PACE@Covidien.com so I can submit a request for the 2011 traineeship.

Covidien's support for this exceptional continuing pharmacy education experience is greatly appreciated.

Sincerely,

Janice L. Feinberg, PharmD, JD
